Dear Channing.

I am just sailing
out for a spiree all alone.
I think it is cool enough
for Mamma to stand
it without help, I hate
to leave her alone the
very hot days.

Saturday night Papa
drove me over to Clyde
& we brought Annie
back & Tyle drove her
back last night.

Mr Bowen came to
dinner & Mr Wilson
& Maie Miller to
supper. Bertha has
decided to give up
the washing, & all the
women so far are
engaged. A terrific

thunder storm with a deluge
of rain kept the whole congrega-
tion to S. School yesterday
but I thought it was a magnificent
more wonderful weather.
Mabel has been head aching
but is better this morning
Auntie enjoyed the rest
Lennie is going to be with
her a few days this week I
shall try to get over. The Capt
plays tennis & only leaves
off to begin again.

Labelle keeps promising Lizzie
is to be married two weeks
from yesterday. The very
prettily proposed one could
come & see her married
but it looks hopeless. Bertha
of course will be gone all
day, & the ceremony is to be
at 12 M in the Ebenezer
church. Good bye keep writing
lovingly as ever Mamma.
